SCHEDULED FLIGHT TICKET QUOTES – STANDARD TERMS & CONDITIONS

- Fares and taxes on flights are quoted per person and at current rates. These are subject to airline increase or rate of exchange fluctuations at any time prior to date of issue.
- All airlines require **full first names and surnames** as per the passengers' passport to make a reservation.
- **NOTE: In line with airline and government regulations around the world, we may be required to supply the following information before air tickets may be issued for reservations made on scheduled flights – passport name, passport number, date of issue, date of expiry, country of issue, date of birth, gender and nationality.**
- A Change Fee may be applicable for any name changes after an airline reservation has been made, or after the ticket has been issued. Change Fees will be charged to your final invoice, or in a separate invoice to you if final payment has already been made.
- Airfares are subject to seat availability and rules, cancellation and amendment penalties.
- Cancellation fees will be charged if applying for a refund on an issued ticket.
- The Companies and their partners cannot be held responsible for any re-routings, delays or cancellations imposed by the airlines. Guests should carry adequate travel insurance to cover such eventualities.

WEIGHT & LUGGAGE RESTRICTIONS FOR LIGHT AIRCRAFT TRANSFERS

- For most bush flights within Kenya and Tanzania, a strict limit of 15kg of luggage in total (including hand luggage) is applicable, packed in soft bags.
- **Safety is the number one priority for the Company.** Adhering to aviation regulations means that there have to be strict measures in place to ensure weight allowances are not exceeded and that these parameters are adhered to by all our partners world-wide.
- The strict weight restrictions in place on any itinerary which includes light aircraft transfers are for the following reasons: The aircraft are designed with a maximum bodyweight and luggage weight allowance; most of our airfields are at a fairly high elevation and located in the warm to hot tropics so the permissible aircraft carrying capacity is reduced and the aircraft have physical space restrictions – such as size and type of aircraft; size of the luggage pod and seats
- As part of the enhancement of Safety, Compliance and Risk Mitigation processes by the Company and Governors' Aviation Ltd and as part of our efforts toward service excellence audits and / or desktop reviews are carried out on third party aviation operators. These 3rd Party aviation operators are audited for compliance with applicable aviation regulations. If they pass the audit / review processes carried out by the Company and / or Governors Aviation Ltd then they are labelled as Preferred Suppliers, and it is the directive of the Safety Review Board of Governors' Aviation Ltd that only Preferred Suppliers are utilised when outsourcing any and all additional aircraft routings. For further details, please consult with your dedicated Sales and Reservation Consultant.
- Should a guest require extra luggage allowance, a freight seat may be purchased at the cost of a child's seat. This allows for 65kg of extra luggage per seat.
- Should a guest weigh over 100kg, an additional seat will have to be booked and paid for at the child seat rate.
- Governors' Aviation Ltd offers a limited luggage storage facility at its Wilson Airport offices for any luggage over the weight limit. Guests are welcome to leave luggage and collect again on return from their bush safari.
- Where a larger aircraft is booked by the client, the luggage weight allowance may be increased - this will be specifically communicated in the quote or when the information is available to the Company.

PASSPORT & VISAS

Visitors to Africa must have a passport that is valid for at least 6 months beyond their intended departure date, together with onward travel documents, proof of accommodation and sufficient funds for the duration of their stay. In addition, each country they may be visiting generally requires at least 2 consecutive/side by side blank pages on entry for both visas and stamps. Should the itinerary include more than one country, excluding the country of departure and return, a sufficient number of blank **visa** pages (not endorsement pages) in their passport is required. Should there be insufficient blank pages in your passport then entry into or exit from a country could be denied.

- Any applicable visas, costs and/or relevant documentation are the responsibility of the guest. They must please verify with the relevant consulate concerning visa entry requirements and, if extending their journey to other countries, the visa entry requirements for those countries need to be established as well.
- **Guests must ensure they have all necessary visas prior to departure from their home country (unless these can be obtained on arrival) as the Company, their staff, agents and operators cannot be held liable should entry be denied.**
